## FAMILY DRUG COURT-FDC

Family Drug Court provides a blueprint for success for families affected by substance abuse.

**We want to help you achieve and maintain sobriety for you and your children !**

The Ashtabula County Family Drug Court's target population includes parents who have either lost temporary custody of their children or whose children are under the protective supervision of the court due to parental substance abuse. The parent must also live in Ashtabula County and have an open case with Ashtabula County Children Services

## Family Drug Court Goals and Objectives

---

- FDC is a referral-based program focused on helping you achieve & maintain sobriety. Your case worker will make the referral for you.
- FDC meets at promptly 10 a.m. every Friday
- FDC provides faster access to treatment & intervention for parents in hopes of faster reunification for the family.
- FDC provides additional support & accountability to your treatment plan
- FDC uses a 4-phase model with both incentives & sanctions
