1st Petition - Dec. 17-1906

Clerks of court are prohibited by law from making and issuing certifications of a naturalization record or any part thereof, except upon order of the Court. The Immigration and Naturalization Service is authorized by law to make such certifications when needed in any judicial proceeding, or to comply with a State or Federal statute. Persons requiring such certifications should be advised to submit application Form N-585 to the appropriate Service office. A supply of Form N-585 is available to clerks of court or to other interested persons from the Immigration and Naturalization Service.

The prohibition against the issuance of certifications by clerks of court does not extend to the furnishing of uncertified information. Clerks of court may furnish such information orally, in writing, by printing, or by photocopy or other reproductive process, in accordance with the rules of court, without consent of or approval by the Immigration and Naturalization Service.
