

**ASHTABULA COUNTY COURT OF COMMON PLEAS  
PROBATE DIVISION  
ALBERT S. CAMPLESE, JUDGE**

**IN THE MATTER OF THE ADOPTION OF:** \_\_\_\_\_

**CASE NO.** \_\_\_\_\_

**ADDENDUM TO CONSENT TO ADOPTION**  
[Local Rule 78.13]

I agree and understand that under Ohio Law, signing the Consent to Adoption (18.3) means:

1. All my parental rights to this child end after the entry of the Final Decree of Adoption. This includes but is not limited to:
  - a) all rights to custody, visitation, communication, support, education, religion and upbringing of the child
  - b) the right to any financial aid from the child and of receiving the future earnings and any other property of the child
  - c) any right of inheritance from the child or through the child
  - d) any rights and privileges that may be given in the future by law to any parent in respect to the child
2. I understand that a Final Decree of Adoption, if granted, relieves me of all parental rights and responsibilities, including the right to contact the child and terminates all legal relationships between the child and myself and the child's other relatives. I will be in the same legal position as a stranger to the child.
3. I further understand that any promises for forgiveness of past financial obligations or for future contact or visitation with the child are not legally binding.

I have read the Consent for Adoption and the Addendum to the Consent for Adoption before I signed it. I understand and agree to the terms of the consent for adoption of my child.
